On behalf of Rancho Viejo Waste Management, LLC, I am pleased to submit an original and three copies of the permit application supplemental revisions in response to your continued technical review of the referenced MSW permit application.

We are enclosing a new cover page, signed and sealed and bearing a current date. Both a “track changes” and final versions are enclosed. We are also enclosing a signature page that is signed, dated, and notarized. These pages include an original and three copies. Individual pages are hole-punched for insertion into three-ring binders.

We believe this supplemental response and the revisions to the referenced permit application we previously submitted are fully responsive to your request for addition information dated January 18, 2012. We further believe this response is consistent with the applicable rules.
