shipments of Class 1 waste. The facility's copy of the manifest will be retained for a period of at least three years. The facility operator shall not accept or sign for shipments of Class 1 waste unless authorization to accept the waste is provided in permit provisions or has been granted by the TCEQ. The disposal facility copy of the manifest shall be retained by the operator for a period of at least 3 years or as directed by the TCEQ.

A written report of Class 1 wastes received must be submitted to the TCEQ no later than the 25th day of the month following receipt of Class 1 waste. The monthly report must be submitted on the form provided by the TCEQ and must include all required information. Monthly reports must be submitted every month following the initial receipt of Class 1 waste even for months no Class 1 waste was accepted.

Class 1 or 2 liquid wastes (including grease and grit trap wastes) will be accepted for processing from commercial sources (restaurants, fast food facilities, car wash and vehicle maintenance facilities), industrial sources (food processing plants, manufacturing plants) and institutional sources (hospitals, schools, prisons) as Special Waste addressed in Section 27 and processed in the Liquid Waste Stabilization Unit prior to disposal in an appropriate solid waste cell.
